Danse Joyeuse

Summary

Fanfic d'une phrase. Mako est tombée sur une scène très tendre et charmante.

- Translation into English available: [Happy Dance](#) by [MiaQc](#)

Je suis Makoto Kino, Mako pour les intimes, et aujourd'hui je suis tombé sur une scène très tendre et charmante, deux Pikmin, un de type Violet et un de type Glace, dansaient ensemble joyeusement et en faisant de sons ressemblant à des ronronnements de chats.
